VIBGYOR ACE

# NEWSLETTER

## Results. Resilience. Readiness.

From remarkable JEE Main achievements to supporting NEET aspirants through one of the most challenging examination phases, May reflected the spirit of perseverance, preparation, and student-first support at VIBGYOR ACE.

## JEE Main Results | Celebrating Academic Excellence

### Hard Work Reflected in Results

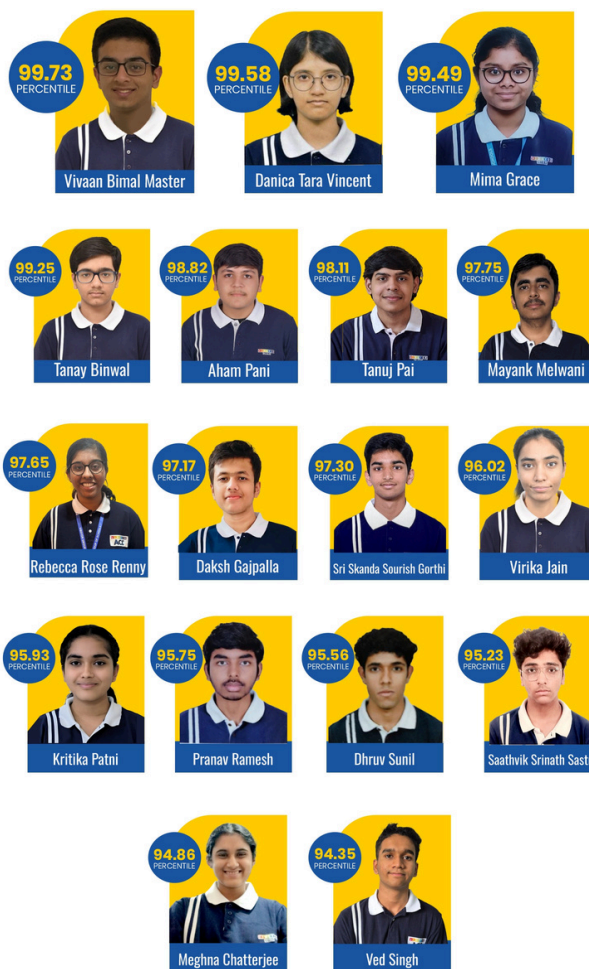

The JEE Main 2026 examinations were successfully concluded, with Session 1 conducted from 21st January to 30th January 2026 and Session 2 held from 2nd April to 10th April 2026.

This year, students across VIBGYOR ACE delivered commendable performances in the JEE Main examination, reflecting consistent preparation, academic discipline, and focused mentoring throughout the year.

We are proud to showcase 15 of our top-performing students who achieved outstanding results in JEE Main 2026. These achievements reflect:

- The students' dedication and perseverance
- The academic team's consistent mentoring and support
- VIBGYOR ACE's commitment to structured, excellence-driven learning

Congratulations to all our achievers for this well-deserved milestone and for setting a strong benchmark of academic excellence.

## NEET 2026 | Supporting Students Through Uncertainty

### Prepared with Guidance. Moving Forward with Confidence.

As part of our continued support for NEET aspirants, VIBGYOR ACE conducted a special Instagram Live session on 2nd May 2026 on the topic “Last Minute Doubts”, helping students clarify key concerns and approach the examination with greater confidence.

However, following the NEET examination conducted on 3rd May 2026, nationwide concerns regarding examination irregularities and paper leak investigations led to the cancellation of the examination by the National Testing Agency (NTA) on 12th May 2026.

The re-examination has now been officially scheduled for 21st June 2026.

During this period, VIBGYOR ACE continues to stand by its students by providing guidance, academic support, and reassurance as aspirants prepare for the rescheduled examination with renewed focus and confidence.

## VIBGYOR ASPIRE | SAT Preparation Webinar

### Beyond IITs: Expanding Career Horizons

A special webinar session titled “Beyond IITs: Expanding Your Career Horizons” was conducted for students of Grades 9–12 (Science & Commerce), introducing them to global undergraduate opportunities through SAT preparation.

The session covered:

- An introduction to the SAT and its structure
- Preparation timelines for 2026–27
- Insights into international undergraduate pathways
- Overview of the Digital SAT platform

The webinar was conducted by Mr. K. P. Singh, an academic mentor with 27+ years of experience and a track record of mentoring 60,000+ students.

The session encouraged students to explore broader academic opportunities while understanding the importance of structured preparation and informed career planning.

## From the Desk of Admin

### Simplifying Execution, Every Day.

At VIBGYOR ACE, the Admin Center of Excellence is committed to enabling teams by reducing operational friction and ensuring that day-to-day execution remains smooth and efficient. Our focus is on providing clarity, responsiveness, and seamless coordination, allowing teams to function without unnecessary delays or complexities. By staying aligned with on-ground requirements and addressing challenges proactively, we aim to simplify operations and enhance overall effectiveness.

MAY 31, 2026

As part of this approach, initiatives such as the ACE Central Hub have strengthened access to information and streamlined coordination, with over **15,000 monthly clicks** reflecting strong engagement from teams. These efforts are designed to support teams with the right resources at the right time, ensuring ease of access and operational continuity. The Admin CoE remains focused on delivering consistent support, minimising friction, and enabling a more efficient and reliable working environment.

**Sathwik H V**  
Senior Admin Manager

## May Birthdays | Celebrating Our People
